

# WATERFORD WORLD'S FAIR

*Deep in historical roots, rich in tradition,  
committed to our agricultural heritage.*

Dear Fair Friend:

Thank you to all of the dedicated family and friends for such an outstanding fair last year! Enthusiastic support brings exciting opportunities as we aim to do even better, as this is our 171<sup>st</sup> anniversary. Let's make this happen together!

As you might guess, we are already very busy preparing for this year's fair to be held on July 14, 15 & 16<sup>th</sup>. We hope that you will consider joining us to make this year another successful event! To make this possible, financial support along with physical labor during our volunteer workdays makes a huge difference. See more information on the volunteer schedule posted on our Facebook and Instagram page. Spread the word, give a like and share!

Bringing the community together each year to see the smiles on folks of all ages is what makes the Waterford World's Fair a special place for our community. Carrying this enriching tradition is about learning, making new friends, and more importantly having fun!

Rich in agricultural history, the fair continues to grow in fun and educational experiences for everyone. Our events include tractor pulls, steer/ox demonstrations, talented musical entertainment, great food, local artisan vendors, and the famous pig scramble! A returning program, *Little Hand for Agriculture*, offers hands-on learning demonstrations for children of all ages!

None of this would be possible without the help of extraordinary individuals like you, so please consider becoming a sponsor today! As a thank you for your donation, we will honor your generosity by listing donors in our Fair Book and our website. In order to receive your name specifically in the Fair Book, donations must be received by June 1<sup>st</sup>. All other donations will be acknowledged on our website, Instagram, and Facebook page. You will also receive 2 complimentary passes to the fairgrounds. For contributing to our towns event, the fairs 501c3 status will make your donation fully tax deductible!

Thank you in advance for your part in the success of the 2023 Waterford World's Fair.

Sincerely,

Board of Directors WWF

Your support makes a difference!
